

# Code Enforcement Report

Village Board Meeting November 08, 2021

Followed up on Building Permits for residents on High and Caswell Street.

Received a couple of calls about Village Code setbacks for fencing.

Spoke with organizers of the October 29th event about the food truck parking.(permit enclosed) Also followed up with DOT Sean Murphy enclosed paper.

Talked to the owner of BookStore on Main St. asked them to please attend a Planning Board Meeting.

Handed out a Septic Permit on High Street and spoke with the resident about the type of system he wanted to install.(Aerobic)Called County and spoke with Isaiah Sutton he said that system was acceptable.

Sent out 4 Unlicensed/Unregistered Vehicle Warnings Spring, Evergreen, Main, Orchard Streets. Owners called said they would take care of the vehicles.

Called the Maintenance Company about the lawn on Caswell St. No response back as of yet.

Continuing to work on Unlicensed/Unregistered Vehicles in the Village.

Any problems or questions please feel free to contact me.

FYI – Please see below. The combination of Village approval, with NYSDOT's confirmation that the planned use area of the parking stripes along this section of Rt 7 is under Village Maintenance Jurisdiction, and a predictable schedule should together qualify the situation as acceptable meeting the requirements as a person operating their mobile business in the right of way of established and known business district of a Village.

A Use & Occupancy Permit will not be required.
